

Scene 4

J: (to BB) Is your life wonderful now that you can see?

BB: You can't believe the trouble I've had.
The Pharisees have expelled me and told everybody to avoid me.
My parents are afraid of me.
I can't beg. No one will help me.
I'm worse off then ever.

J: Do you believe in the Son of Man?

BB: I'm so discouraged. I've got to have something to hang onto.
Tell me: Who is the Son of Man?

J: You have seen him, for he is speaking to you.

BB: Lord, I believe.
You have given me sight and now you have given me hope.
I will follow you.

J: My ministry and work will turn the world around.
Those who were blind can see;
those who could see become blind.

P-2: You surely don't think we are blind?

J: If you were blind, you wouldn't be responsible for misleading the people.
But because you say: "We have vision-- follow us, and then lead
them astray, you are guilty.

J: (to BB) Come, my friend, lets join the others for some supper.
